Our Payment Policy

The passing of a loved one can be a very difficult experience. We believe that it is important to recognize and understand that a meaningful celebration of a life lived will assist family and friends as they transition through the process of losing someone they love.

Our mission is to give direction and assistance to arrange an appropriate service or gathering in order to meet the individual needs of all whom we serve.

It is also important to be realistic in respect to burial, cremation, and remembrance expenditures. We do not want your family to feel like they spent more than they should have; nor do we want your family to feel that they received less than they would have liked. Ultimately we will respect your decisions and understand that the decisions you make are a matter of personal preference. Our goal is to educate and provide every option available so as to ensure that the arrangements you select will be within your family's wishes and budget.

Provisions for payment are due at time of arrangements. To avoid any misunderstanding or embarrassment and for your convenience, we accept the following methods of payment:

1. Funded Pre-Arrangement Plan (Preneed)
